CHSSA RULES FOR EXPOSITORY**1. General Rules:**

- a. All speeches entered must be the original work of the contestant. All speeches must have been prepared during the current competitive year. Speeches which have been used in tournaments or service club contests in previous years shall be disqualified; this rule applies to a new speech by a speaker based on the same subject used in a previous year or to any subject used for any original speech by the same contestant during the same or previous years.
- b. Time: Speeches shall be no longer than ten minutes (in Expository, this shall include time to set up and remove aids); there is no minimum time. Exceeding this time limit by more than 30 seconds shall be penalized by a lowering of one rank. Judges should use discretion if the speaker is forced to exceed this time limit due to audience reaction.
- c. Quotations: No more than 150 words of the speech may be direct quotations from another speech or writing.
- d. Violations of general and/or specific rules, except as noted, shall result in the contestant being ranked no higher than seventh (7th) place in the round(s) in the which the violation occurs, and/or being disqualified.
- e. Manuscript Requirements: A double-spaced, typewritten copy of the speech with all quotations underlined must be submitted to the League President prior to the State Qualifying Tournament. The number of quoted words (including a, an, the) must be specified on the CHSSA cover sheet. The manuscript must follow the MLA style guidelines for internal citations and must include a "works-cited" page, or shall include a disclaimer from the student indicating that the composition was accomplished without access to or use of any published sources. The coach, contestant, and a school administrator must sign the CHSSA cover sheet and attach it to the manuscript submitted for qualification for the State Tournament.

**2. Specific Rules: Expository Speaking**

- a. Any appropriate subject may be used, but the primary purpose of the speech must be to describe, clarify, explain, and/or define an object, idea, concept or process. Fabricated topics/subjects may not be used. This is a speech to inform, not a performance, and the emphasis should be placed on the oral presentation rather than on audio or visual aids used in support of the informative goal of the speech.
- b. Aids: Visual and audio aids may be used during the presentation of the speech. No live animals or other persons may be used as visual aids or to help set up and/or present the speech. The speech may be delivered from memory, notes or manuscript.
- No costumes shall be worn by the contestant. Items of dress necessary to the presentation of the speech may be put on during the speech. These must be considered aids and may not be part of the speaker's beginning or ending attire. ***Prior to the first speech contestants may set up materials off stage.*** Any and all aids must be removed from in front of the audience at the conclusion of the speech.

**Please note: the following appears in the GUIDELINES printed on the ballot. This is a guideline only, and not a rule: "Visual aids are not required; they are secondary. The speech is more important and must be given greater weight in a judge's decision."**

**[Competition judges are never authorized to ignore, modify, or otherwise alter events rules. Any and all questions re interpretation of rules should be addressed to the President & Executive Council of CHSSA.]**
